

COYOTE JACK'S MUSHROOM LOVERS BURGER

Introducing the Coyote Jack's Mushroom Lovers Burger!

The ever popular mushroom and Swiss burger gets a new twist. Button and Portobello mushrooms are sautéed then placed on top of a freshly grilled classic 1/4 pound burger patty with Swiss cheese on a cornmeal dusted Kaiser, topped with garlic herb aioli, fresh lettuce and tomato.

Be Prepared

Sauté the mushrooms ahead of time and hold according to QA hot holding standards to save on customer wait times. The garlic aioli can also be made in batches and portioned daily depending on your estimated usage.

Promote with POS

Use the POS on Setting the Table to pre-advertise your limited time offer burger as well as promoting them when they are available at CJ's. Choose to offer daily or as a weekly special on specific days
