Under 3

Asian Slaw and Tabboluleh Salad

Under 3 is a program which offers a variety of grab and go options that are all under 300 calories and under \$3. It can be offered in a grab and go cooler or ice well. Two new salads for the Under 3 program

Asian Thai Slaw: A combination of Napa cabbage, carrots, radishes, celery, mangos, onions and red peppers dressed in honey sesame vinaigrette

Tabbouleh Salad: A Middle Eastern dish which combines bulgar, cinnamon, allspice, onions, tomatoes, fresh mint, fresh parsley and olive oil. A twist on the traditional green salad, tabbouleh offers a great alternative to those customers looking for a different kind of side dish.

Merchandising: Order your Under 3 labels from Data Online. [Click here](#) to access the ordering site. Print off the POS and display at your under 3 station. You can offer both salads simultaneously or one per month.

These salads can also be offered on ice at your sandwich or deli station to encourage bundling.
